
New Users

Posted by Administrator - 2008/02/15 17:54

Hi all,

Well let it not be said that KCLEA members take a new website lightly. We have had a pretty large number of members register this morning. I have been online pretty much constantly since this morning to handle this, but I will be offline until this evening when I can approve new users again.

Thanks for taking the time to register and I will get all those new users going this evening.

Jeff Jones
