
Registration for Dispatchers

Posted by Administrator - 2008/02/15 19:32

I did not realize that the KCLEA dispatchers do not have a badge # when I setup the registration, but no fear. If you are a KCLEA member in dispatch just leave that field blank.

Sorry if that caused any problems for anyone.

Again, feel free to email at deputyjones@gmail.com with any problems!

All KCLEA employees, including dispatchers have a county issued ID number, in fact most depts use this as their badge number.

Good to know Jeremy! I have changed that field so the identification number the county issues will fit. Thanks for the info!
